### **Awais Raoof**

"At The University of Lahore, we stand on the visionary foundation laid by our esteemed founders, whose dedication and foresight have shaped this institution into a beacon of learning and excellence. Our commitment is to equip them with the skills, knowledge, and ethical foundation to tackle global challenges and drive sustainable progress. We believe in fostering an atmosphere of curiosity, collaboration, and excellence that shapes responsible global citizens."

Chairman, Board of Governors

### M.A. Raoof (Late)

With decades of experience in government education, Mr M.A. Raoof's vision for The University of Lahore was driven by a deep commitment to shaping informed, compassionate citizens who would positively impact Pakistan and beyond. Guided by the conviction that education is a noble pursuit, not a commercial venture, he dedicated himself to establishing a dynamic, multidisciplinary institution that cherishes intellectual growth and prepares future leaders.

### Dr. M.H. Qazi (Late)

As co-founder of The University of Lahore, Dr. M.H. Qazi laid the intellectual groundwork for an institution that is redefining higher education in Pakistan. With his vast know-how in the government sector and international training in the USA, Dr Qazi's vision for UOL was built on academic excellence and world-class teaching, with a focus on designing curricula that address the needs of society, emphasising research, innovation, and quality.

Years Of Excellence The University of Lahore through the years **UOL History>>>** 

### Through the Years

### 2002

UOL is granted full degree-awarding status. Fuelled by the vision of our Chairman, Mr. M. A. Raoof and first Rector, Dr. M.H. Qazi, five dynamic faculties spring to life – while simultaneously launching UCMD and securing presence in Islamabad's academic landscape through a separate campus.

### 2005

Our medical school gets levelled up with a purpose-built block on the Defence Road Campus.

### 2007

A standout shift from HEC's A to W category, a power move reflecting our top-tier research and academic quality.

### **1**000

 The foundational stone of a future world-class university is laid by the Ibadat Educational Trust.

### J003

UOL ventures into engineering education with the establishment of the Faculty of Engineering & Technology, currently housing five departments.

### 5000

Strategic gain as the MBBS and BDS degrees get the PM&DC stamp of approval.

### 2008

A bold leap in healthcare education with the launch of our Faculty of University College of Medicine & Dentistry.

### 2010

This year sparked creative innovation with the launch of the Faculty of Arts & Architecture and Lahore School of Nursing.

### 2012

School of

UOL earned the prestigious W4 category from the HEC and expanded access with a sub-campus in Sargodha.

### 2020

Amidst the storm of the pandemic, ULTH becomes a fortress of resilience for our community, setting up a COVID-19 PCR testing lab and a life-saving treatment centre.

### 2023

The Centre for Health
Professionals Development &
Lifelong Learning (CHPL)
began cultivating advanced
expertise in healthcare, while
the School of Pain and
